AUSTRALIAN MATRICULATION PROGRAMME

JPT/BPP(K) (R2/O10/3/O122/A8757) 04/23

Sunway AUSMAT is the most established and largest overseas provider of the Western Australia Certificate of Education (WACE) in Malaysia - more than 30 years of proven track record of academic excellence.*

A PARENT'S PERSPECTIVE

My son's choice for AUSMAT at Sunway proved to be his best decision. The constant internal assessment and presentations have groomed him to work independently, consistently and to become more critical and analytical in his studies. This programme also prepared him for a smoother transition to enter university due to the various coursework and exam components undertaken. Throughout his studies, the lecturers were passionate and professional in handling student-lecturer consultations and have been a great help for him in problem-solving. Overall, he was delighted he chose AUSMAT!
