# Charity fair in aid of WWF

**T**HE World Wide Fund for Nature (WWF) Malaysia benefited from a charity fair organised by a local college recently.

Sunway College had decided to help the environmental organisation to instill an awareness of the environment among the public, especially the youth.

The college's *La Fiesta Del Sol* or *Fun in the Sun* charity fair raised RM10,000 for the organisation, which was presented to WWF

Malaysia national programme director Kevin Hiew.

Guest-of-honour Puan Sri Molina Nijhar commended the students for their efforts in reaching out to the community.

"We often forget to pause and think about mankind and the environment that we live in. Events like this force us to stop and reflect," said Molina, who is the wife of Subang MP Tan Sri K.S. Nijhar.

The fair featured local food in addition to

foreign cuisine from Indonesia, India, Pakistan and the Arab nations.

There were also several booths inviting visitors to participate in a host of games such as the *Gladiator Fight*, *Horizontal Bungee* and a dunking machine.

Children from Rumah CARE, Rumah Faith and Rumah Keluarga Kami were present to join in the fun.

College principal Elizabeth Lee said the fair was not only a charity event but also one to celebrate the college's 15th anniversary.
