Let Sunway bring out the best in you

Sunway College offers four internationally-recognised pre-university programmes. R.V. VEERA writes.

Sunway College, a trust-managed institution and winner of the National Industry Export Excellence Award 2001 (Services) and the Enterprise 50 Award, strives to provide the best education and facilities for students.

It is the only one to offer four internationally-recognised pre-university programmes: Cambridge GCE A levels, Australian Matriculation (AUSMAT), Canadian International Matriculation Programme (CIMP) and Monash University Foundation Year (MUFY).

It offers the General Certificate of Education Advanced Level (GCE A levels) by the Cambridge Local Examination Syndicate, or Cambridge Board.

It is an internationally-recognised qualification for admission to universities and professional courses in the United Kingdom, Australia, New Zealand, India, Singapore, the United States and private universities in Malaysia.

Through the years, the college's A-level students have consistently secured places in top universities like Cambridge, Oxford, Imperial College London, London School of Economics, Durham, Southampton, Harvard, Princeton, Duke, California Institute of Technology, Stanford, University of Sydney, University of Melbourne and National University of Singapore.

Another noteworthy programme is the Canadian International Matriculation Programme, similar to the final year (Year 12) secondary school programme of Western Australia, and recognised for entry into universities in Australia, New Zealand, India, Singapore, the United States and Malaysia.

The programme accepts enrolment in February, March and September, providing timely links between the completion of studies at Sunway and the commencement of university studies at Australian universities.

Top MUFY student Senan Chong received the Tan Sri Dr Jeffrey Cheah Scholastic Award recently for scoring 391 out of 400 points in his studies. He is enrolled in MUM, pursuing a degree in Engineering.

Sunway is located at 5 Jalan Kolej, Bandar Sunway, 46150 Petaling Jaya. For details, tel: 03-56358622; fax: 03-56358633; or visit www.sunway.edu.my.
