A PARENT'S PERSPECTIVE

Foundation in Arts was definitely my daughter's wisest choice and best decision after receiving her SPM results. The profound one year foundation programme certainly enabled her to become a mature and successful young adult. Lecturers also played a vital role, as she excelled brilliantly after completion of her programme. Sunway's teaching approach is very relevant and augurs well for industries, as their graduates are easily assimilated upon graduation. Keep up the good work Sunway, in developing brilliant graduates.
