A PARENT'S PERSPECTIVE

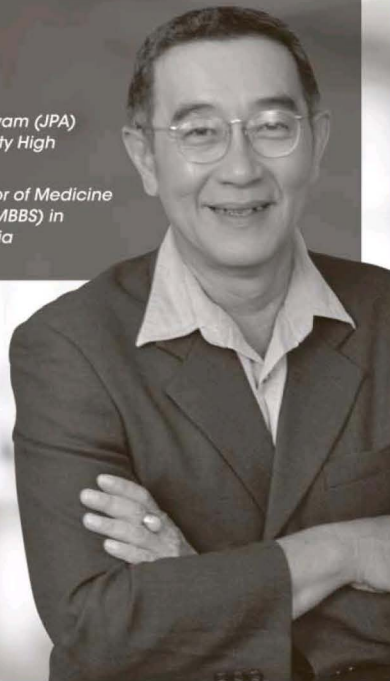

Monash University Foundation Year (MUFY) is a perfect platform for transition into university. The holistic approach of learning that MUFY incorporates has not only further developed my son's communication and problem-solving skills, but it has also polished his leadership qualities and confidence. The dedication and professionalism of the MUFY lecturers has encouraged my son throughout the journey and aided him to excel in his studies. Thank you Sunway College for such an amazing course!
