A PARENT'S PERSPECTIVE

Choosing the Canadian International Matriculation Programme (CIMP) at Sunway College was one of the best decisions made as a family. Jasmine has always done well in school but being in CIMP allowed her to excel and live out her potential beyond just the classrooms. With the extra-curricular activities as well as the holistic learning structure imbedded in the CIMP programme, she was able to truly facilitate every facet that we believe makes for wholesome learning.
