Sunway proud of its high-achievers

By R.V. VEERA

Students of Sunway College won 14 out of the 33 awards including the coveted Gold, Silver and Bronze awards for the degree level at the recent NCC Education Awards ceremony.

The college's School of Information Technology and Multimedia top student, Ng Seau Hooi took home the Outstanding Student-Gold and Outstanding Subject-Object Oriented Analysis and Design awards.

Her coursemates, Cheong Kai Siang and Leong Sun May received the Outstanding Student-Silver and Bronze awards, respectively.

Other Outstanding Subject award winners are Goh Ching Ching, Lim Soon Hong, Wong Shiau Teen, Ong Chee Ching, Woo Siau Tze, Nisha K. Vijain @ Vagaian, Wong Thean Chee, Richard Tan Yew Lock and Tah Kok Foong.

Sunway College, a Multimedia Super Corridor (MSC) status institution prides itself in being a major provider of knowledge-workers for the MSC and the IT industry through its industry-driven courses.

It also conducts other prominent IT courses such as Multimedia, Java Scripts and Programming, PC Engineering and others.

Under its Skill Training programmes, popular courses such as Microsoft Certified Systems Engineer (MCSE) and Microsoft Certified Professional (MCP) courses are also offered.

The college also offers IT-related degree programmes which lead to a BSc (Hons) in Computing and Information Systems awarded by the London Guildhall University, Britain.

The programme is similar to a 3+0 but is more attractive in the sense that students obtain three additional world-recognised qualifications upon completion of each level of their course.

Supporting all the courses at Sunway College are elaborate computing facilities which include eight computer laboratories. These labs are equipped with 25-30 PCs each with access to the Internet.

The college has also invested in a Donovan Linux lab which is equipped with 20 Donovan servers making the college the first among educational institutions in Malaysia to set up a 64-bit Linux computing lab.

Sunway College is located at No 5 Jalan Kolej, Bandar Sunway, 46150 Petaling Jaya, Selangor. For details, call (03) 5635-8622 or fax to (03) 5635-8633 or email www.sunway.edu.my.
