

# Sunway gives Nasam RM11,000

**S**TUDENTS OF Sunway College's School of Hospitality and Tourism Management held a charity luncheon recently and raised RM11,000 for the National Stroke Association of Malaysia (Nasam).

A total of 110 students were involved in organising the event which gave them a chance to put what they learnt into practice. The students independently co-ordinated and executed every aspect of the function, even the preparation of a sumptuous spread which carried the East meets West theme.

Other highlights of the luncheon were a magic show, and live music and songs.

Guest-of-honour Deputy Minister of

National Unity and Social Development Datuk Dr Tiki Lafe commended the students for setting a fine example for youth in Malaysia. "I am proud that Sunway College students and lecturers are socially aware and so benevolent," he said.

The money raised will be used by Nasam to create greater public awareness on the dangers and risks of stroke, as well as increase the association's reach into remote areas of the country.

Nasam manager Margaret Chang received the cheque for RM11,000 from Sunway College principal Elizabeth Lee at a cheque presentation ceremony.
