THREE students from Sunway College are the proud winners of five top awards in the Association of Chartered Certified Accountants examinations held last December.

They are Yee Mei Hui, Chan Yunn Perm and Jamie Loh Lee Sun who have again proven that Sunway College is a leading private institution of higher learning to offer a course in ACCA.

The three students scored top marks in all the foundation papers in the world to win the World Prize for Paper 1M - Accounting Framework. She scored 93 marks to win the prize.

Two other students from Sunway College also did very well in this paper by coming close to Yee. They are Tamarai S. Muthusamy and Hiew Pau Yee who scored 92 and 90 marks respectively.

For Paper 3, Yee was placed fourth out of 6,533 students worldwide who sat for the examination whereas for Paper 4, she got sixth placing out of a total of 4,696 students.

Yee's coursemates Chan and Loh were the other two recipients of the top awards. Chan received the ACCA Achievers Award for Foundation Paper 2M - Legal Framework whereas Loh, who had graduated with the ACCA, was the winner of Professional Module Paper 13M - Financial Reporting Environment. Chan was third out of 1,251 students who sat for the paper worldwide.

Asked to comment on the outstanding performance of Sunway College students in ACCA examinations, the college's director for financial courses, Teo Ee Sing, said: "We are proud with their excellent results and their success is attributed to the hard work of the students and the quality education the college offers."

Over the years, the college has earned a reputation for producing world class students with many of them scoring high marks in this highly recognised professional examination, said Teo.

Sunway College's financial courses division currently offers the ACCA, was the winner of Professional Module Paper 13M - Financial Reporting Environment. Chan was third out of 1,251 students who sat for the paper worldwide.

Sunway College's financial courses division currently offers the ACCA, the Certified Accounting Technician (CAT) programmes and the Institute of Accountants in Malaysia (IOM) examinations.

The entries for these examinations are required to be at least 30 years of age and have completed at least 12 years of education. The entry qualification for ACCA is two GCE A-Level passes and three O-Level credit passes, including English or its equivalent.

The minimum requirement to register for CAT is 16 years of age and a student who wishes to obtain the CAT can go through the CAT route only. The CAT course is designed to assist in the future development of the accountancy profession in the country and is a recognised professional qualification for working in a wide range of organisations from public practices to management consultants.

The ACCA programme is divided into three stages - foundation, certificate and professional. CAT is a vocational qualification designed to support the work of professional accountants. Its aim is to test the knowledge, skills and understanding of a student to work in accounting support roles.

Students who have successfully completed CAT are given exemption from the foundation stage of the ACCA.

Sunway College is the first college in Malaysia to conduct the computer-based CAT Level A examination in September 1998. The CAT offered at Sunway College is the first college in the world to conduct the computer-based CAT Level A examination in September 1998. The CAT offered at Sunway College is the first college in the world to conduct the computer-based CAT Level A examination in September 1998.
