

A-star students

Of the 162 Sunway College students who sat for the Cambridge Board "A" Level examinations, 22% scored at least three As. Four achieved five As while another 20 scored straight As in a minimum of three subjects.

The top four who had distinctions in their five papers were Chan Sook Yian, Koh

Chee Siong, Ling Hua Loon and Natarajan. All four scored top marks for their General Paper, Biology, Chemistry, Physics and Mathematics.

Two of the students, Chee Siong and Hua Loon say they plan to study medicine at the International Medical University.
