UNWAY College which started in 1987 currently offers an array of programmes which are classified into three broad categories – professional and financial diplomas, external degrees and pre-university courses.

Among its eight professional and financial courses is the Association of Business Executives (ABE), a four-level non-specialist general business course where school-leavers enter at the certificate level and make their way up to the Advanced Diploma in Business Administration by going through diploma levels one and two. Each level is of a duration of six months.

Course fee for all four levels from certificate to advanced diploma is RM8,400.

The Chartered Institute of Marketing is a specialised course covering four levels consisting of the Foundation in Marketing, Certificate in Marketing, Advanced Certificate in Marketing and Diploma in Marketing. All levels are of a duration of six months. Total fee for this course is RM6,600.

The Diploma in Executive Secretaryship which is a five-month internally assessed course is for those looking for advancement in secretaryship. Fees for this seven-subject course is RM1,000.

The London Chamber of Commerce and Industry’s diploma and certificate courses in Accounting, Cost Accounting, Economics, Management Accounting and Business Statistics are also offered at Sunway College. The tuition fee for these 12-13 month courses is RM1,800 for three subjects.

The UK National Computing Centre programme is also offered at in this college. This three-year course leads to the Graduate Diploma in Computing and Information Systems.

Upon completion of each year, a diploma is awarded – starting with the NCC International Diploma in Computer Studies, followed by the International Higher Diploma and finally, the Graduate Diploma in Computing and Information Systems which can be converted into a BSc (Hons) Degree in Computing and Information Systems from the London Guildhall University.

The whole NCC programme costs RM25,000.

Financial courses offered are the ACCA course from foundation to professional stages and the Chartered Institute of Management Accountants courses.

Other courses offered at Sunway College include the Institute of Chartered Secretaries and Administrators, basic courses in Information Technology and courses conducted by its School of Hospitality Management.

Sunway College also has twinning programmes with six universities from three countries. These universities are The Flinders University of South Australia, The University of Western Australia, Monash University and Victoria University of Technology, Leicester University and the University of Greenwich in the UK, and Western Michigan University in the United States of America.

Through a consortium led by Leicester University, students pursuing a degree in Engineering through the Leicester twinning programme can further their studies at the renowned Nottingham University and Loughborough University.

At Sunway College, there are three internationally recognised pre-university programmes, the A-level and the Canadian and Australian Matriculation programmes.

BEATING THE COMPETITION: Top prize winner of the U.K. AEB course, Tan Me Me, left, receiving her prize from Bella Devadass, Director of Professional Courses.
