Ideal platform to obtain IT degree

THE NCC graduate diploma programme offered by Sunway College is an ideal platform for school-leavers to get a degree in IT.

The programme is suitable for Sijil Pelajaran Malaysia students and others with equivalent qualifications.

Those with lesser qualifications can enrol for the Basic Certificate in Information Technology, Advanced Certificate in Information Technology and pre-Diploma in Information Technology.

NCC graduate diploma holders can pursue the Bachelor of Science (Hons) in Computing and Information Systems from London Guildhall University.

Under the NCC graduate diploma programme, students get a recognised qualification after each year. On completion of the first year, they receive the Diploma in Computer Studies.

At the end of the second year, they qualify for the International Higher Diploma.

During the third and final year, students sit for the NCC Graduate Diploma examination, receiving the BSc (Hons) degree in Computing and Information Systems from the London Guildhall University.

The tuition fees for this programme is RM5,000, RM7,000 and RM13,000 for the first, second and third year, respectively.

Sunway College offers good facilities and experienced teaching staff to produce quality graduates from this programme.

Brian West, NCC's Quality and Standards manager from the United Kingdom, gave the thumbs-up to Sunway College for offering the programme.

"Based on the facilities available and the quality of the teaching staff, I am confident Sunway College can successfully run the programme," West said after signing a memorandum with Sunway College's principal Elizabeth Lee to offer more quality education opportunities. Also present at the signing was Sunway's director of computer studies, T. Kanendran.

Other IT-related programmes offered by Sunway include six- to nine-month courses ranging from basic certificate to computer programming.

The tuition fees for these courses are between RM600 and RM2,300.

For degree courses in IT, Sunway also offers twinning programmes with Western Michigan University and Victoria University of Technology.

Sunway College is located at 5 Jalan Kolej, Bandar Sunway, Petaling Jaya. For more information, call 03-7358622 or fax 03-7358633.
