Intakes for three programmes this month

By Jo Anne

SUNWAY College is having intakes for three courses this month – the National Computing Centre's degree in Computing and Information Systems, Cambridge Board's GCE A-level and the Australian Matriculation programme.

The NCC programme allows students to complete all three years of their studies locally and diplomas are awarded upon completion of each year. On successful completion of the first year of study, students are awarded the NCC International Diploma in Computer Studies and the International Higher Diploma at the end of their second year. At the end of the final year, students will sit for the NCC Graduate Diploma which can be converted into a B.Sc. (Hons) Degree in Computing and Information Systems from the London Guildhall University.

Tuition fees for the NCC programme is RM5,000 for the first year, RM7,000 for the second year and RM13,000 for the third year.

The GCE A-level programme is an 18-month or 15-month programme starting in January, March and July annually. The fee is RM7,500 for three subjects and the General Paper or English. Sunway College is the only college in Malaysia to offer Western Australia's final year secondary school programme. The Tertiary Entrance Examinations is monitored by the Curriculum Council in Perth.

The Australian Matriculation programme qualifies a student for entry into universities in Australia, the US, UK, Canada and New Zealand. Tuition fee for this programme is RM6,500 per year.

Sunway College also offers the Canadian Matriculation programme with an intake in July. The college's twinning programme with Western Michigan University will have an intake in May and guarantees students placement at WMU. It also allows transfers to other American universities. The WMU twinning programme offers courses leading to bachelor's degrees in Business Administration, Computer Engineering, Natural Science and Mass Communications.

Tuition fee for the twinning programme is RM250 per credit hour.

Other professional and financial courses are also offered at Sunway College. With the setting up of the School of Hospitality Management, courses related to the hotel and tourism industry are also available. Various English language and Information Technology courses are also available.
