Twinning tie-ups with top varsities

SUNWAY College has more than a decade of experience in providing twinning programmes with foreign universities. Currently, its twinning programmes are with the University of Greenwich and Leicester University, both in the United Kingdom.

Courses offered with Greenwich University are BSc (Hons) in Building Surveying, BSc (Hons) in Estate Management and BSc (Hons) in Quantity Surveying. All the three courses are recognised by The Royal Institution of Chartered Surveyors and The Institution of Surveyors, Malaysia.

Another course that is offered in partnership with this university is the BA (Hons) in Accounting & Finance. Started in 1997, the course is unique because it allows students to earn the credits through its established Australian twinning degree programmes. After earning the credits at Sunway, students can seek transfer to the University of Greenwich for their second and third year of study.

The Accounting & Finance degree will enable graduates to obtain exemption up to a maximum of eight papers in the Chartered Association of Certified Accountants and a total of seven papers from 12 in the three stages of the Chartered Institute of Management Accountants programmes.

Tuition fees for the courses offered by Greenwich University’s School of Land and Construction Management is RM6,500 per semester for the first two semesters at Sunway. The fees for the BA (Hons) in Accounting & Finance degree is RM11,000 per year for the first year at Sunway.

Leicester University, the first British university to establish twinning links in Malaysia, has been in partnership with Sunway for more than a decade.

The tie-up offers degree courses in B.Eng (Hons) in Mechanical Engineering, Electrical & Electronic Engineering, Electronic & Software Engineering and General Engineering. The twinning programme also offers the Foundation Year Engineering course and a Bachelor of Laws (Hons) (LLB) degree.

Sunway also offers other Engineering and Law degree courses through special arrangements between Leicester University and other leading universities—Loughborough, Warwick, Exeter, Lancaster and Aberdeen.

To prepare school leavers for further studies here and abroad, Sunway offers three pre-university programmes—the GCE A-level, Australian Matriculation and Canadian Matriculation.

Other professional and financial courses include Chartered Association of Certified Accountants, Chartered Institute of Marketing, Chartered Institute of Management Accountants, The Association of Business Executives, The Institute of Chartered Secretaries and Administrators. Also offered are courses run by its School of Hospitality Management.

For further information, visit the college at 5 Jalan Kolej, Bandar Sunway, Petaling Jaya or call 03-7358622, fax 03-7358633.
