College's five top achievers get cash awards, certificates

FIVE hardworking students in Sunway College were rewarded for their achievement last Saturday.

Lim Jin Hong, Chee Chern Shiung, Koh Chun Giap, Lee Pik Suan and Ng Wai Leong were the proud recipients of the Tan Sri Datuk Seri Dr Jeffrey Cheah scholarship award.

The students received cash as well as certificates for their achievements.

Chee, who will be going for further studies in Australia, said he had always excelled in school and was not surprised to top his class.

Foundation engineering student, Lim, on the other hand, was not sure whether he had done well in his examination.

Lim will be going to Leicester University in the United Kingdom after the double festival celebration.

Both Lim and Chee are twinning programme students.

They have completed their first year in Sunway College.

Koh, however, did not waste time in registering at the Waikato University in New Zealand. His sister, Phyllis Koh, said he left for

New Zealand on New Year's day.

Phyllis accepted the award on Koh's behalf.

Lee will be going to Flinders University while Ng will be leaving for Monash University.

Both Lee and Ng received RM4,000 while Lim and Chee received RM2,500.

Puan Sri Susan Cheah presented the award to the students in a ceremony held at Auditorium 6, Sunway College.

Also present was Sunway College executive director Tan Sri Ramon V. Navaratnam.
