

Sunway's 12th graduation

MORE than 100 students of Sunway College's Canadian Matriculation Programme (CMP) were joined by family members and friends as they received their diplomas during the 12th graduation ceremony held at the College.

One of the proud parents was the event's guest-of-honour, Tenaga Nasional Berhad executive chairman Datuk Dr Ahmad Tajuddin Ali, whose daughter Hana Rahimah was among the graduates.

Hana was one of 19 who also received subject awards, of which hers was for Geography-World Issues.

Top graduating scholar and valedictorian Tong Yee May scored an average of 93 per cent in six subjects, earning herself the Academic Excellence with Distinction certificate.

Altogether, 14 graduates were awarded certificates of Academic Excellence with Honours.

In her valedictory speech, Tong paid tribute to the programme's combination of academic rigour with cultural, social and sporting activities.

Eight of the graduates were also given Certificates of Recognition for Outstanding Leadership for their contributions
