Sunway College has unique twin­ning arrangements with foreign uni­versities like Leicester University and University of Greenwich in the United Kingdom; Western Michigan University, USA; University of Waikato, New Zealand; and University of Western Australia, Monash University, Flinders University and Victoria University in Australia.

For those who have just passed their SPM, Sunway College offers not just one, but three options in pre-univer­sity courses: GCE 'A' Levels, Western Australian Matriculation (TEE) and Canadian Matriculation. This is to ensure that unique and diverse needs of Malaysian students are catered for.

Sunway also offers a 14-month Cambridge GCE 'A' Level programme that will enable candidates to complete their 'A' Level course by June 1997 and enter university immediate­ly. The Cambridge GCE 'A' Level is widely acknowledged as one of the most accepted pre-U qualifications available in the market today.

Students wishing to sign up for the 'A' Level intake for March 1996 may still do so as there are limited places still available.

Those who wish to pursue higher education in Australia enter the Western Australian Matriculation Programme (WAM) in Sunway. The college offers the final year (Year 12) secondary school programme of Western Australia. Tertiary Entrance Score subjects offered at Sunway are examined in the Tertiary Entrance Examinations (TEE).

Students who successfully complete this programme will qualify for entry into universities in the US, the UK, Canada and New Zealand.

The WAM March intake 1996 intake is still open to those who are interested to apply.

For students wishing to further their studies entirely in Malaysia, Sunway College offers arrange of professional courses: the Chartered Association of Certified Accountants (ACCA), Chartered Institute of Marketing (CIM), Chartered Institute of Management Accountants (CIMA) and the University of London Bachelor of Laws (External), Association of Business Executives (ABE) and London Chamber of Commerce (LCCI).

Intakes for the above courses are in April 1996.
