Sunway's foreign students

SUNWAY College's American degree twinning program with Western Michigan University (WMU) has attracted foreign students from at least 14 countries.

Besides catering to Malaysians, the college is also host to students from Mauritius, the Maldives, Sudan, Sri Lanka, Turkey, Japan, Korea, India, Pakistan, the Philippines, Indonesia, Singapore, Burma, Thailand as well as a few exchange students from WMU.

These students make up at least 10 per cent of 400 students in the programme.

Among the courses offered under the programme, business administration and communications are among the popular choices.

Students obtained information on the programme from their respective embassies, the WMU and through advertisements.
