

SUNWAY
UNIVERSITY

A CLASS ABOVE

“BEYOND ORDINARY”

My journey at the Sunway University Business School has been spectacular. The whole experience at Sunway was also invaluable in developing me as a person. The lecturers have been a huge source of support and inspiration. Sunway has offered me the opportunity to learn, way beyond the boundaries of the classroom. I was so impressed by the level of support the lecturers offered, the delivery of its lecture classes and the quality of the academic materials provided which not only allowed me to be technically proficient in class, but to also excel in my chosen fields. I believe these are the qualities modern-day proactive employers are seeking.

My experience at Sunway University is indeed BEYOND ORDINARY.
