# Introducing the CHEER 2016 champs!

## University Co-ed Elite

**Champions: Sunway University Cheerleading Senior, Sunway University**

CHEER 2016 saw the introduction of a brand new university division, and judging by the quality of the performances, it is set to become a popular fixture in the annual tournament.

The team from Sunway University now holds the distinction of being the division's first-ever winners.

"We're honoured to be the first, and we'll work hard to keep winning," said captain Ling Xi Liang, 19, who is also part of the Cheer Aces All-Star team.

Liang used to compete at CHEER with the Vulcanz from SMK Seafield, and he believes the university division would boost the sport's popularity even further.

"As for the cheerleaders, university-level competitions will help them with the transition into All-Star competitions, which is the highest level of cheerleading."

**Runners-up:**
Puzzle, Tunku Abdul Rahman University
**Second runners-up:**
