*Sunway FIST is a stepping stone to the degrees in General Sciences, Engineering, Computer Science, Information Technology and all areas of Life Sciences: Medicine, Dentistry, Nutrition, Dietetics, Genetics & Biological Sciences.\**

My experience with the Sunway Foundation in Science and Technology (FIST) programme was life changing. Not only was I able to affirm my passion and interest for the workings of the human mind, it also aided my self-confidence, socialising ability, and passion for educating. My lecturers' encouragement in the present day still keeps me going. FIST helps prepare students for their future, both academically and mentally. I'm truly glad to have pursued this programme.
