## Sunway Tes on top of the world

**S**UNWAY Tes, a subsidiary of Sunway University College, recently had the president of ACCA (Association of Chartered Certified Accountants), Richard Aitken-Davies, present awards to last year and this year's top scorers.

Among them were top CAT (Certified Accounting Technicians) scorers in the world: Thebendra Manogaran, Haider Hashmuddin and Susan Lee Wei Wei.

All 19, they scored the highest marks for papers T6, T7 and T8.

Top CAT graduate in the world for this year, Wong Viang Wing, was also there to receive his prize.

"I was confident in my work. I studied consistently but also found time to relax. I believe that work and play must be balanced. Thus, I worked out in the gym often to relax," said the 19-year-old from Kuantan.

Wong is planning to join one of the Big Four accounting companies upon graduation.

According to Aitken, completing such demanding examinations was always a significant achievement, but to do so with such remarkable marks was outstanding.

"Commitment and talent play significant parts in obtaining such outstanding results. So, of course, does excellent tuition.

"It speaks volumes about

Sunway that this institution regularly produces some of the most successful ACCA and CAT candidates in the world.

"I know our CEO, Helen Brand, was here in June to

congratulate prize winners from the 2007 sitting, so we may need to build in a trip to Sunway as a regular fixture on our schedules."

Incorporated in 1994, Sun-

way Tes offers ACCA and CAT.

Sunway Tes executive director Teo Ee Sing said: "The award proves that we are, if not the best, one of the best accounting tuition providers

in the country.

"Our graduates have secured jobs with Ernst & Young, Pricewaterhouse-Coopers, KPMG and Deloitte."

Also, the CAT programme is offered at Chinese independent high schools: Kluang Chong Hwa High School, Chung Hwa High School Jalan Ipoh, Chung Hua High School Seremban, Kwang Hwa Private High School Klang, Pay Fong High School Malacca and Kuen Cheng Kuala Lumpur.

Under this scheme, students can register for the CAT programme while in high school.
